To place an order or for more information, contact your local Angiodynamics representative at USA Customer Service x 800-772-4463 (OPT 3) or customerservice@angiodynamics.com or Servicing US and International Distributors.
Customer Service Netherlands x +31 30 3498400 (OPT 3) or customerservice@angiodynamics.com or Servicing International Distributors.
Customer Service Canada x +1 905 968 4000 (OPT 2) or customerservice@angiodynamics.ca or Servicing Canada Direct Markets.

Check with your in-country representative for product-specific availability. Low volume configurations are built to order and may require greater lead time.

---

**Warnings:**
Angiographic Catheters should be used only by physicians with a thorough understanding of angiography and percutaneous interventional procedures and are not for home use. Contraindications prior to use of the product. CAUTION: Federal law (USA) restricts this device to sale by or on the order of a physician.

Adverse Events: Potential complications include, but are not limited to the following: Thrombus formation, Emboli, Arterial wall damage, Plaque dislodgment, Hematoma, Cardiac arrhythmias, Myocardial infarction, Stroke, and Death. Refer to Instructions for Use and/or User Manual provided with the product for complete Instructions, Warnings, Precautions, Potential Adverse Effects and Adverse Events.

Flow rates, this information should only be used as a guide. Reuse of single-use devices creates a potential risk of patient or user infections. Contamination of the device may lead to injury, illness or death of the patient.
